

Application form for the International Visiting Scholarship for female Master's students and early career researchers at the Faculty of Engineering

Please see also the guideline for the International Visiting Scholarship

1 Personal details

Last name	
First name	
Adress	
e-mail	
Date of birth	
Tax-ID	
Department	
At the chair/ professorship or field of study	
Topic of the doctoral thesis/habilitation/ post-doc project	
Career stage when submitting the application Master student PHD-candidate Postdoctoral candidate Habilitation candidate Junior professor	Career stage on completion of the research stay Master student PHD-candidate Postdoctoral candidate Habilitation candidate Junior professor
Employment/ financing when submitting the application Student assistent Research assistent Scholarship holder Academic Councillor Junior professor Other funding:	Employment/ financing during the research stay Student assistent Research assistent Scholarship holder Academic Councillor Junior professor Other funding:

2 Qualifications and career

Please fill in the fields relevant to you

Study (Bachelor and Master, subject, university, degree)	
PhD (subject, university, degree)	
Positions or jobs after receiving your PhD	
Prizes and honors	
Other research stays	
Self-raised third-party funds since receiving your PhD in €	

3 Publications

Journals with peer review (number)	First/last author:	
	Co-author:	
Conference contributions	Total:	
	Of which are posters:	
	Of which are lectures:	
H-index (source Scopus OR Google Scholar)	Scopus:	
	Google Scholar:	
Your TOP 3 publications (APA or IEEE format)		

4 Information on the research stay

Where should the research stay take place?	
From when to when should the research stay take place?	
This corresponds to	Less than 1 month 1 month 2 months 3 months More than 3 months
Research topic (title)	

Please state your motivation for the research stay, the scientific relevance for your career path and how you want to shape your scientific career after the research stay.
(max. 6 bullet points, max. 2 lines per bullet point)

Please describe your project **(max. 5 bullet points, max. 2 lines per bullet point)**

5 Determination of subsidy amount

a. Costs applied for

Please fill in the fields relevant to you

Round trip transportation costs*	
Transportation costs on site*	
Costs for accommodation*	
Visa	
Other costs (please specify) Please note: Daily allowances are not guaranteed by funding under the ZV.	
Total	
Financing of the remaining costs for the Research stay by/via (multiple answers possible)	Self-financing Professorship/chair/institute (continue with b) Other funding (continue with b)

b. Information on other subsidies

If necessary, add further subsidies on an extra sheet

Funding approval by:	
What costs are subsidized?	
Funding level:	

6 Checklist of documents to be submitted

Completed application form

Letter of invitation/confirmation from the inviting institute (1 to 2 DIN A4) stating the period of stay

Proof of the information provided under point 2
